

Super Responsible

When the Fate Line is straight, clear and extends up from the bottom center of the palm to the base of the Saturn finger (Figure 11), or into the lower section of the finger, the owner is Super Responsible.

Figure 11: Super Responsible

The owner of this marking aims for and achieves A+ scores in many areas of life he or she focuses upon. Once a thing is decided upon the owner is typically unstoppable. They keep their pedal to the metal with clear direction and intent for nothing less than perfection. With a large and low set thumb (learn more in the chapter on thumbs) successful outcomes appear to come easily through having a larger territory. A smaller thumb, held naturally close to the palm, will be more comfortable being responsible within a smaller area to manage.

Strength: Driven, dedicated, diligent, conscientious.

Pitfall: Serious and overly committed at the expense of personal relations.

Money Mindset: With single-mindedness, I am unstoppable.

Breakthrough Question: How can I be as committed to myself (and family) as I am to my projects and tasks?

Affirmation: "All that is mine by Divine Right is now released and reaches me in great avalanches of abundance, under grace in miraculous ways."
